Offer available for purchases made during the period 1st of April 2010 through to 31st June 2010 inclusive. The offer extends the standard warranty of your product by another 12 months – to a total of 24 months from the original purchase date of the hardware the warranty is being applied too. Epson and your reseller reserve the right to amend or withdraw this promotion in whole or part without prior notice or compensation. This offer is available to UK and ROI residents only.
